

YOU WHO

Wear a suit two or three seasons, now is the time to pick up a suit at a very low figure. We have sorted out about seventy-five suits that we will sell at a liberal reduction for cash to close.

Gardner & Baxter.

CITY NEWS IN BRIEF.

A meeting of members of the Knights of Pythias will soon be called to consider the proposition to buy the Owashtongue boat house at Reed's Lake. If made the purchase will be by individual members and not by the order.

Dr. Hugo Lapinski and wife left yesterday for Stoughton, Wis., where the doctor will take treatment for skin poisoning caused by using mercury in autolytic dressings.

The Rev. J. Brewster Hubbs conducted the regular Thursday afternoon services at St. Mark's hospital yesterday. The Rev. Dr. Fair will hold the services next week.

The members of the third squad of mail carriers that will leave for their vacation August 1 are John Redmon, E. J. Reardon, John Hendricks and George L. Bickel.

Mrs. D. D. Mason of No. 62 Crawford street and her daughter, Mrs. Cyril Perry of No. 179 Lagrange street, went to Spring Lake yesterday for a three weeks' outing.

The Grand Rapids Felt Boot Company has purchased a site on the river bank near McCord & Bradford's factory, and will erect a factory 30x75 feet.

Mrs. E. B. Chapin and daughter, Mrs. C. M. Spinning of Grand Lake, are visiting Mrs. A. E. Remington at No. 60 South Lafayette street.

The Sunday school of the Westminster Presbyterian church is considering the project of giving an excursion down the river on the Barrett.

Five coaches were filled with the Oddfellows, Daughters of Rebecca and friends that went on the excursion to Kalamazoo yesterday.

About 300 persons visited this city yesterday with the excursion given by the Hollandian Workingmen's association of Kalamazoo.

The Grand Rapids School Furniture company has a contract for furnishing the bank outfit for the Kent County Savings bank.

The board of public works will see that the stagnant water that Canal street residents are kicking about is removed.

Misses Neddie and Lola Riseley left yesterday for Marshall for a several days' visit with the Rev. Van Antwerp Harris.

Mrs. Emma Lincoln of No. 147 Sheldon street has gone to Luther to spend a two weeks' vacation with her brothers.

Chapman Relief corps will give a literary and musical entertainment this evening at No. 55 West Bridge street.

Real estate transfers recorded yesterday by the register of deeds numbered eleven.

W. R. Cushman and family are occupying a cottage at Hyland park for the summer.

Secretary Van Aemul of the board of trade has gone to Ottawa Beach for a few days.

Beach & Booth will open the Kent hotel next Monday.

Burial Permits.

Marriage Licenses.
The following is a list of the marriage licenses issued since last published, with the names, residences when outside the city and ages of the parties:

Walter P. Manning, Fred May Street, 24-26; Fred P. Wilson, Maud E. Almon, 24-26; Cornelius DeMan, Ellen E. Howland, 24-26.

Lawsuits Over Mince Pie.
The latest phase of the famous mince meat litigation which has occupied the attention of the courts and the public for the past five years, is the announcement of Merrill & Soule of Syracuse, N. Y., the manufacturers of the celebrated None Such brand of condensed mince meat, that they have effected a settlement with the owners of the patent, by which they and their customers are exempted from all further share in the litigation or claims for damages. The arrangement also provides future immunity to Merrill & Soule in the manufacture and sale of their None Such brand.

This is good news for mince pie lovers everywhere, who can now eat their None Such pies in peace. This brand has always been a decided favorite wherever introduced, and the further fact that it can now be handled without the risk of the legal complications which attaches to the other makes, will doubtless add very largely to its already large sale.

Chapman Relief corps will give a literary and musical entertainment at No. 55 West Bridge street, Friday evening, July 29.

Chew Kate Noble's Wild Cherry Gum. For sale by all dealers.

Stated by H. B. Cochran, druggist, Lancaster, Pa. Have guaranteed over 300 bottles of Burdock Blood Bitters for dyspepsia, sour stomach, bilious attacks, liver and kidney trouble.

Have used Dr. Thomas' Electric Oil for cramp and colic, and declare it a positive cure. Contributed by William Ray, No. 579 Plymouth avenue, Buffalo, N. Y.

FOR HER HUSBAND'S SAKE

The Strength and Beauty of Woman's Devotion.

A Minneapolis Woman Who Tells Her Own Story.

Why Mrs. Anna E. Lower Could Sleep Only About Two Hours a Night.

"Ye who believe in beauty and strength of woman's devotion," as Longfellow says, look to a tale of stern reality from Minneapolis.

No better instance of a wife's devotion, with resulting years of suffering, is recorded, than that of Mrs. Anna E. Lower, who resides at No. 2706 Portland avenue in this city. Let Mrs. Lower tell her own story:

"For a number of years I have had

the care of an invalid husband, and for the past five years have been his constant attendant. As a result my own health and strength were fast wearing out.

"For over two years I suffered almost continually with pains in the back of my head at the base of the brain. I usually slept about two hours each night, always felt tired, and had no appetite. During the month of January, 1890, and again about the same time in 1891, I was troubled terribly with my head and throat. I was so bad that I was in bed for eight weeks, attended by two doctors.

"When the month of December, 1891, came, I naturally began to dread the return of the former attacks and to look around for something more lasting in its effects than what the doctors had given me before. As an experiment I got a bottle of a medicine that the druggist recommended. I have not missed a dose since I began to use it. The result is that the pain in my head has long since disappeared; I had no head trouble in January, and to make a long story short, I now feel better generally than I have for over three years. I sleep well, have a good appetite, and now my business is to sound the praises of Paine's Celery Compound, the medicine that did all this for me.

"My nephew, Harry H. Dance of this city suffered for weeks with rheumatism, but doubted if the compound would help him. At last, after a good deal of urging from me, he tried it and now he is as good as I am. He is only one of about twenty whom I have converted to its use.

"I am going to take Paine's celery compound all summer, for I am generally weak and debilitated during the warm weather, and this medicine makes me stronger. In fact I do not feel like the same person since I began taking it."

The above facts are a striking verification of the statements that have appeared lately in the papers that Paine's celery compound is a food and nourisher for the nerves that builds up the system permanently and does not stimulate temporarily. It is a health-restoring and life-giving compound that makes people well.

THE TITAN OF CHASMS.
A Mile Deep, 13 Miles Wide, 217 Miles Long, and Painted Like a Flower.

The Grand Canon of the Colorado river, in Arizona, is now for the first time easily accessible to tourists. A regular stage line has been established from Flagstaff, Arizona, on the Atlantic & Pacific railroad, making the trip from Flagstaff to the most imposing part of the canon in less than twelve hours. The stage fare for the round trip is only \$20, and meals and comfortable lodgings are provided throughout the trip at a reasonable price. The view of the Grand Canon afforded at the terminus of the stage route is the most stupendous panorama known in nature. There is also a trail at this point leading down the Canon wall, more than 9,000 feet vertically, to the river below. The descent of the trail is a grander experience than climbing the Alps, for in the bottom of this terrific and sublime chasm are hundreds of mountains greater than any of the Alpine range.

A book describing the trip to the Grand Canon, illustrated by many full-page engravings from special photographs, and furnishing all needed information, may be obtained free upon application to John J. Byrne, No. 723 Monastnock block, Chicago, Ill.

A Chicago Opportunity.
The proper time to make investments in Chicago is before the world's fair on the rising tide. To anyone who appreciates this fact and who will send us their name and address we will send, free, a beautifully illustrated book on the wonders of Chicago—"The Way to Win." Address James E. & Robert L. McElroy, Chamber of Commerce, Chicago.

Good Cooking.
Is one of the chief blessings of every home. To always insure good omelets, puddings, sauces, etc. use Gail Borden "Eagle" brand condensed milk. Directions on the label. Sold by your grocer and druggist.

A BEAUTIFUL WRECK.

All Druggists sell it as a standard article, or sent by mail, in form of Pills or Lozenges, on receipt of \$1.00. LYDIA E. PINKHAM MED. CO. LYNN, MASS.

An illustrated book, entitled "Guide to Health and Etiquette," by Lydia E. Pinkham, is of great value to ladies. We will present a copy to any one addressing us with two 2-cent stamps.

The Magee Boston Heater Furnace

Unlike others usually sold, is made of boiler plate with removable fire lining. It is NOT a CHEAP CAST-IRON construction made up with loose sections, with gas-leaking joints and small feed door, liable in a short-time to require a new fire-pot. We can point to 11 years constant use with no repairs.

A DYSPEPTIC'S ARGUMENT

Is a growl, and that growl marks the limit of argument with him. The best way to get him to try a medicine would be to advise against it—but notice how different his tone after using Burdock Blood Bitters.

"I have suffered with dyspepsia for the last two years. Not long ago I commenced taking B. B. B. I am now on the second bottle, and I feel like a new man."

G. KNOX, 12 Sherwood Ave., Binghamton, N. Y.

Repeated Tests with Unknown Success prove the fact that Burdock Blood Bitters will cure dyspepsia. The reason is plain: it tones the stomach to natural action and keeps the entire system free from clogging impurities.

"I have been troubled with dyspepsia and heart disease for nine years, and found no relief until I tried Burdock Blood Bitters. Now I am well after taking two bottles."

MRS. ELLIE FRAZIER, Bowm, Mich.

Hot Weather

is predicted for the month of July and everybody should take

ICE

Sent in your order at once when you can get regular service.

We also suggest you lay in your winter supply of Coal at once. We have now on hand our twenty-thousand cubic feet of OLD LEHIGH. It is better than ever. Call, examine and be convinced.

S. P. BENNETT FUEL AND ICE CO.

THE SELF-RESTORER

A sad scene with which to terminate a brilliant evening. They have returned from a reception. She had felt restless and nervous during the day, and is suddenly taken with that "faint feeling" so prevalent with our women.

The cause of this feeling is some derangement, weakness, or irregularity incident to her sex, and can readily be removed by prompt and proper treatment.

The Vegetable Compound acts like magic in such cases. It not only gives prompt relief, but effects a permanent cure.

PECK'S DRUG STORE

This is the season to

Use Disinfectants Freely!

Especially about damp walls in the basement. Outbuildings, sewers, etc., should also be looked after, as sickness may be prevented by proper disinfection. We sell

Crude Carbolic Acid at 30 Cents per Quart Jug.

The crude has all the value of the refined and will prove quite as satisfactory for common use. The refined acid we recommend for household use.

To persons who object to the odor of carbolic acid we recommend

Brome Chloralum.

This is non-poisonous and odorless. It is well adapted for washing and disinfecting refrigerators, use in sick rooms, etc. Peck's Chlorides are equally good.

For purposes where a cheap disinfectant is desired.

Copperas is the Best.

We Sell 10 lbs of it for 25 Cts.

And the solution, 2 lbs to a gallon of water, will thoroughly disinfect outbuildings by pouring a little in occasionally. The price permits its free use.

Tar Camphor

Is the cheapest insecticide. It is practically solid carbolic acid, and is used for preventing the ravages of moths. It is cheap, about one-third the price of gum camphor. The large clothing stores find it answers quite as well. It is perfectly white, does not stain, and comes in powder, squares and balls. The odor arising from it disappears on exposure to the air. It is well adapted for soaking garments, woodens, and for every use where it is desired to be secure against moths. We keep all other antiseptics and disinfectants, but the above are the most pronounced.
